<p>CONCLUSION (Continued)</p>	<p>reflects diversity in California through gender, ethnicity, lifestyle, and economic status.</p> <ul style="list-style-type: none"> • The \$13.6 million investment in the current Mission Bay Clubhouse and infrastructure improvements comes directly from green fees and is managed by the City's Golf Division. This is NOT public money. • MBGC is an historic City treasure, contributing services to thousands of tourists, youth, seniors, and revenue to the City's General Fund. Any reduction would be catastrophic to active recreation of Mission Bay, its stakeholders, and the game of golf. • We urge that the City of San Diego recognize the societal, environmental, and recreational benefits that MBGC brings to our community; and how vital it is in providing affordable and accessible public golf and active recreation for the thousands of citizens and tourists of San Diego.
	<p>NOTE: This fact sheet highlights Mission Bay Golf Course as a community-focused, environmentally sustainable golf course that provides a welcoming and affordable golfing experience for all ages and skill levels.</p>
